

## Closet Factory Colorado Celebrates 20 Years in the Business®

### *Largest Luxury Custom Closet & Home Organization Solutions Brand Celebrates Twentieth Year Servicing Colorado*

Denver, CO ([PRWEB](#)) February 21, 2011 -- Closet Factory Colorado is proud to announce its yearlong 20th anniversary celebration. This franchise location was started in January 1991 with the sole purpose of becoming the destination manufacturer of [custom closet systems](#) to homeowners in the Denver metropolitan area. It has since grown into the largest closet company in Colorado and has since added two divisions, [Murphy Bed Lifestyles](#) and [Office Factory](#). It also boasts an extensive 8,000 square foot showroom.

"Customers will find very basic, simple and functional closets to the very high-end closet systems; offices, a beautiful walnut book case, pantry, garage, and of course a number of Murphy beds. We also have an area dedicated as a Selection Center where our customers can pick out finishes, door styles, jewelry drawer inserts, laminate options, hardware, and hundreds of Closet Factory custom accessories. Its quite impressive." - Mark S. Lesikow, CEO and owner states when discussing the Closet Factory Colorado showroom.

This location has grown from a staff of 8 to a staff of 35, and the average employee has been with the company for over 10 years! Closet Factory Colorado is known for their hard working team that delivers exceptional design solutions and service to their clients. The following is a testimonial from a repeat customer.

"Closet Factory was so easy to work with and I couldn't be happier with my closets. I grew up with Closet Factory closets and loved having them. So when it was time for me to put organized closets into my house I called the same Closet Factory that put them into my parents' house almost 20 years ago. The experience was great and everywhere I move I will continue to call Polly and Mark Lesitkow to put closets into those houses! Thank you Closet Factory!" – Nicolas H, Denver Colorado.

Closet Factory Colorado is also known in their community for actively supporting great causes including United Way, Boys and Girls Hope, Camp Experience, Women's Foundation, Volunteers of America, Women's Leadership Council, Regis Jesuit High School, University of Denver – Daniels School of Business and the Athletic Center, and the South Metro Denver Chamber of Commerce.

#### About Closet Factory

[Closet Factory](#) is a leading franchise network specializing in custom storage solutions for the entire home. Each unit they make is designed, manufactured and installed to the unique specifications of the customer. Their goal is to design a custom storage system or [closet organizers](#) that the end user will love. They accomplish this by listening carefully and involving the user in every step of the design process. Closet Factory is both a member of the NAHB and an ASID industry partner and believes that every unit they make is as unique as the person who owns it.

In the past two decades the Closet Factory product line has expanded from custom closet designs to home office solutions, wall beds, entertainment centers, laundry room, kids play rooms, pantry, wine rooms, craft and hobby rooms, mudrooms and will launch a extensive custom garage designs including man caves.
